FAA Level 2 Award in Emergency First Aid at Work

This is a course in "Farm Specific" emergency first aid and is taught by registered instructors, with experience within the agricultural industry. This course also adheres to the Health & Safety Executive requirements and provides delegates with a nationally recognised First Aid qualification.

This course is suitable for anyone working within the agricultural industry, whether employer, employee or self-employed, and will help you identify the causes of injuries and ill health, eliminate hazards and control risks.

LEARNING OUTCOME	ASSESSMENT CRITERIA
